- *You don't need to blanket stitch the bottom edge of the shoes.*
- *The top of the girl paper doll's heads (crown of hair) are positioned approx. 1 7/8in down from the top of each block (not including the pom-pom on her hat). The shoes are fused last, overlapping the legs where necessary to fit.*
- *The top of the tree is positioned approx. 1 1/4in down from the top of the block.*
- *Embellish the paper dolls as you wish. Sew a French Knot to their ears for earrings, stitch a bracelet, add buttons to their clothing. The possibilities are endless. Most of all have fun!*
