PAPER DOLLS SEW-ALONG—BONUS BLOCK

How to Make the Block

- ◆ Please refer to Instalment #1 for further information about the quilt.
 - ◆ You can use these templates in the sew-along quilt or you can use them separately.
1. Trim the background blocks, where necessary, to measure 8in x 12in.
 2. Follow the fusible applique instructions provided in Instalment #1 to complete the blocks, then set aside.

Diagram 1 ▼

- You don't need to blanket stitch the bottom edge of the shoes.
- The top of the boy paper doll's head shapes (crown of hair) are positioned approx. 1 3/8in down from the top of each block. The shoes are fused last, overlapping the legs/dress where necessary to fit.
- Embellish the paper dolls as you wish. Sew a French Knot to their ears for earrings, stitch a bracelet, add buttons to their clothing. The possibilities are endless. Most of all have fun!
