# MY FAVOURITE THINGS—BLOCK #101

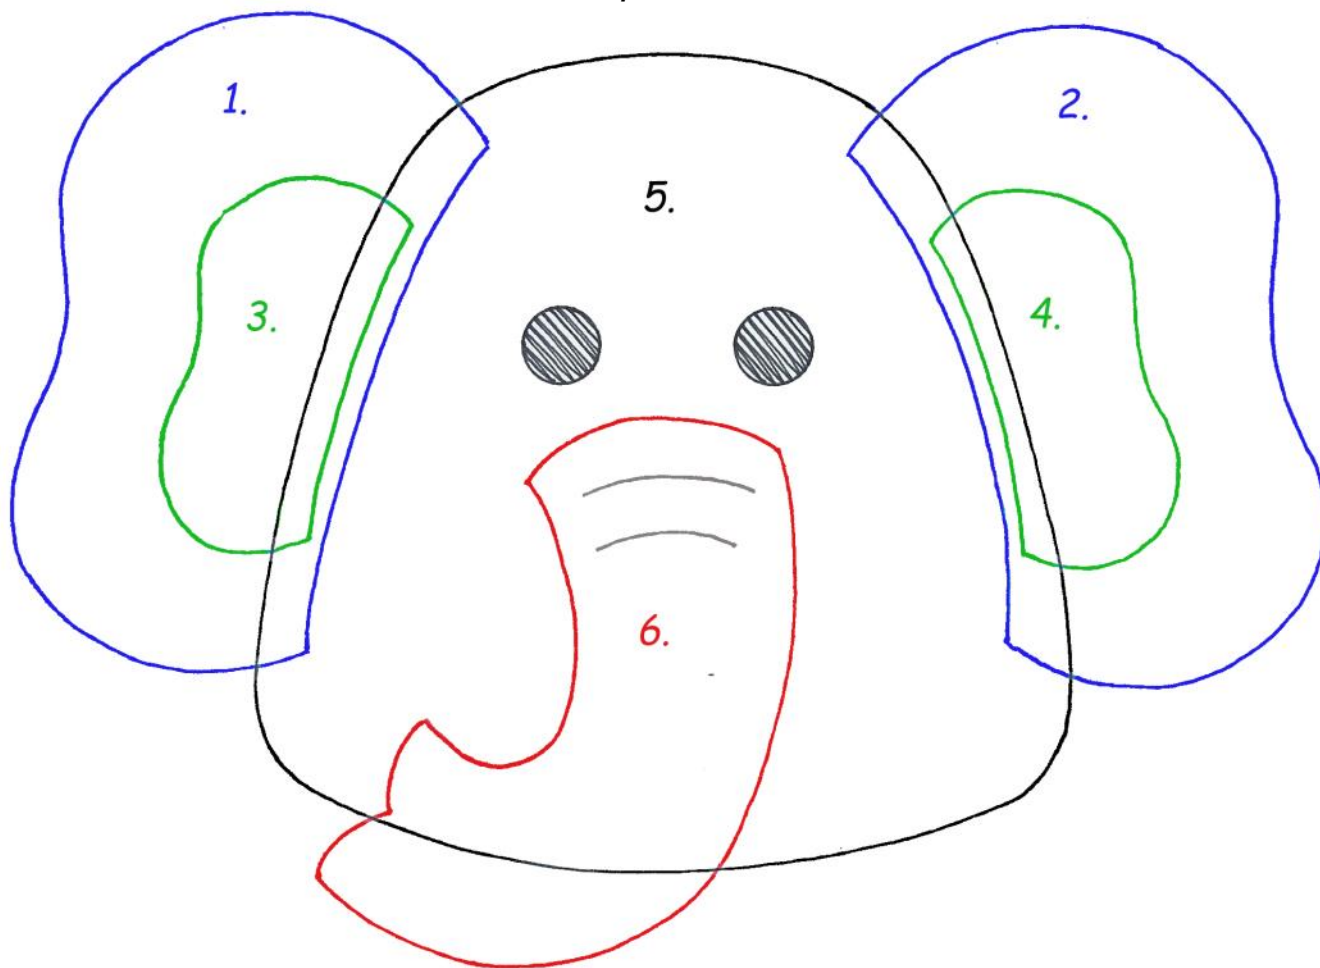

"One morning I shot an elephant in my pajamas. How he got into my pajamas I'll never know."

- Groucho Marx

1 IN SQUARE

Measure to ensure the templates print to scale.

Adjust the elephant's ears to fit your block. Simply slip them under the main head shape a little further. I would recommend leaving at least  $\frac{3}{8}$  in between the raw edges of your block and the edges of the ears.

The grey solid & dashed lines represent the  $7 \frac{1}{2}$  in background block with  $\frac{1}{4}$  in seams. You do not need to trace this shape.
